

Fabtech Education Society (FES) was founded in 2008 by Late Hon. Birasheb A. Rupnar with the vision *"The Future Begins Here."* Guided by his leadership and carried forward by Hon. Mrs. Neelvarna Rupnar (President) and Hon. Bhausaheb Rupnar (Chairman), FES has grown rapidly, establishing institutions from primary to postgraduate level within just 13 years.

Fabtech College of Pharmacy, Sangola, under DBATU, is the first of its kind in Solapur region, offering M. Pharm in two branches Pharmaceutics and Pharmaceutical quality assurance B. Pharm. and D. Pharm. programs under the guidance of Hon. Bhausaheb Rupnar and Principal Dr. S. K. Bais. It is recognized as a centre of excellence in pharmacy education, with students excelling academically and in sports.

Sports at FES are promoted as tools for holistic development—enhancing physical fitness, mental health, emotional balance, and social well-being. They also serve as platforms for awareness, education, and community engagement, making them powerful vehicles for personal growth and societal development.
